

Thank you for your patience and understanding as we begin a new school year!! We truly believe the safety of the Boone Community must be our top priority, and we will continue to strive for excellence every day in caring for your children.

Important Reminders:

- **Doors open at 7:15am.**
- **School dismisses at 3:10pm.**
- **You MUST have an ID to show staff.**

IMPORTANT! Dismissal Procedure:

3:10pm Car Riders: Cars will line up in the side parking lot and be ready to show/give student names. Please display the BLUE CAR CARD on your dashboard with student information. Please write all of your students/grades/teachers on the same card if possible. Students will be waiting in the cafeteria until their name is called. Older siblings will connect with younger siblings and walk out together. They will be escorted out to the car pickup line by our Safety Patrol or a designated staff member.

3:10pm Student(s) walkers/picked up by parent walk-up: 1st-3rd grade student walkers (& 4th/5th graders with younger siblings) and those who have adults walk up to pick up at dismissal will be exiting from the front of the building. We suggest waiting in the shade under the trees until you see your child exit the building. PreK3, PreK4, and Kinder walkers will be waiting inside the classroom and can be picked up from the back door of the room in the front courtyard area. 4th-5th walkers without siblings will be dismissed from their building.

Please do not take your child until you have checked in with the teacher dismissing them. Adults picking up will need to have their identification to show the teacher to ensure your child's safety as they are released for the day.
