Coding Club at Boone

Now Enrolling for Spring 2026
Fridays 3:15–4:15
K–5th

Coding is creative and teaches children to think critically. They are limited only by their imagination! Our instructors introduce students to Scratch, developed by MIT, a fun friendly platform which kids use to create animation and games while learning coding concepts!

Dates: Jan 23 - May 8 (15 wks) **Cost**: $525
